HIGH STREET

2019

COVERING GREAT BRITAIN AND NORTHERN IRELAND

WWW.VISITTREORCHY.CO.UK

An aerial photograph of Treorchy, a town in South Wales, nestled in a valley. The town is surrounded by rolling hills with patches of green grass and brown, eroded soil. In the distance, several wind turbines are visible on the ridges against a clear blue sky. The town itself features a mix of residential housing, including terraced houses and larger buildings, as well as some industrial or commercial structures. The overall scene is a scenic view of a coastal town and its natural surroundings.

Our High Street

Treorchy has a real vibrant and unique high street with many award winning businesses, over 80% of them being independently owned boutique style shops. Our high street is thriving thanks to the foundations set by our established businesses, some being here for over 40 years, and the energy brought to the town from the 20 new businesses opened in the last 3 years, 7 of which in the last 3 months.

Our regeneration has been led by community focused entrepreneurs , in partnership with the local authority, and supported by the local community. From music festivals and open air theatres to our Christmas parade and Rhondda Pride, there is a high sense of community spirit and involvement in Treorchy.

NEIL HUTCHINGS MEMORIAL WALK

IN AID OF MACMILLAN

Sadly, after a long battle with cancer Neil Hutchings passed away back in August 2018. Neil was a very well-known and loved man by so many. Be it as the great rugby player, a loving family man, a gentleman who had time for everybody or as a great friend. Whatever, whoever, he was loved by everyone!

Neil was undoubtedly a great rugby player, reiterated by a statement made by BBC's Phil Steele saying, "If Neil was playing today, he would have had 30+ Wales caps!" A sentiment shared by many throughout the press and media of Welsh rugby. Nonetheless, Neil became a star playing for Treorchy, Pontypridd, Aberavon and Cardiff.

In memory of Neil, Dai Joseph Jones walked 72 miles covering the 4 great clubs which Neil represented. The MASSIVE task began on the 26th of July and finished on the 27th of July. The first leg saw Dai walk from Treorchy RFC to Aberavon RFC. The second leg took Dai to the capital city, to Cardiff RFC. From there, Dai headed back up the Taff to Pontypridd RFC. At this point, hundreds of people welcomed Dai at Pontypridd RFC and joined him to complete the last leg of the walk, from Pontypridd RFC back to Treorchy RFC.

On a cold, damp, morning on 10th March 2019, Misty, the Standard Poodle and I set off for the NEC Birmingham and our first Crufts competition.

On arrival we made our way to the designated ring area, surrounded by other Standard Poodles. As owners groomed and put the finishing touches to their dogs, the barking increased as if the dogs themselves could feel the rising tension and excitement in the air.

Finally it was our turn, with mounting excitement and nerves I proudly walked Misty to the ringside along with her competitors. The Judge examined each dog in turn and then gave directions on where we were to run. A final inspection and then the wait as the Judge allocated his score. The announcement was made, Misty had won 1 st place in her Class at her first Crufts, I was so proud.

With my beautiful Silver poodle I accepted the certificate and rosette, knowing that we had qualified for next years competition and could do it all again – Crufts 2020 fingers and paws crossed.
